

**United Nations Secretary General Report - A Vital and Enduring Commitment:  
Implementing the Responsibility to Protect**

Office of the United Nations Secretary General

11 August 2015

In August 2015, the Secretary General released his seventh [report](#) on RtoP. The report assessed the progression of RtoP over the past ten years, identified core challenges and opportunities for implementation, and detailed six core priorities for the international community to undertake to more effectively fulfill the norm.
